BUILDING ACTIVITY IN VERNON TAKES BOOM ATMOSPHERE

Much Construction Recently—Other Buildings Contemplated—Materials Advance

"Is Vernon on the threshold of a big building boom? Looks like it!" This is a question that many local business men are asking each other and the answer that usually replies when the query is heard on the streets.

Since the first of the year and just prior to the holiday season several contracts for buildings were let. Some of these buildings have been completed and others are being constructed. It is said that other large building programs are contemplated. Considerable real estate has changed hands in both the business and residential sections of the city. Thus a glance at the actual facts clearly indicate that Vernon has not only completely recovered from the business slump and deflation period that began in 1920, but has launched into a period that bids fair to out rival any period in her history, from the standpoint of building activities and prosperity. "You can just feel it in the air," said a local citizen today.

W. H. Evans Starts

It was H. W. Evans one of Wilbarger's pioneer citizens and town builders who apparently struck the first blow in the face of old man "Pessimism."

Only recently Mr. Evans completed the construction of an up-to-date one-story building on west Wilbarger just back of the Farmers State Bank building. The Hawkins-Williams Furniture Company have moved into this building and established one of the most attractive furniture stores in this section of the state.

The same pioneer town builder is now erecting two brick buildings just around the corner from the furniture store building, on Fannin street. These buildings will both be 30x50 feet. They will have metal ceilings, plastered and in every respect modern.

Fred L. Reed's Automobile paint shop will occupy one of these buildings.

Clayton Thomas will operate a garage in the other building.

Ed Lehman has let a contract for a \$6,000 brick residence to be erected on his ranch 12 miles west of town.

The city of Vernon has recently completed an engine house on its property.

R. I. Jones, local contractor, has handled the construction work on these various jobs.

The North Texas Hardware company erected, last year, a modern brick building on west Pease street. In fact this concern really began its construction work before Mr. Evans launched his building campaign. They have occupied their new quarters for several months and it is said to be one of the best buildings in the city.

J. J. Manis and Sons garage building on the corner of Texas and Cumberland streets is nearing completion and it is expected that it will soon be occupied. This building is constructed of face brick fronting both streets. Allen & Davis, local contractors are handling the job.

J. A. Puckett's filling station building on north Main street was completed prior to the first of the year.

Ice Plant

The Coca-Cola Bottling and Ice Co., are pouring the foundation for their modern fire proof building on the corner of Texas and Fannin streets. It is estimated that this structure, when completed, will have cost about \$15,000.

This building will be used exclusively for an ice distribution and cold storage plant. It is pointed out by Mr. Rossman, local manager of the ice factory, that this enterprise will be used principally for cold storage purposes. Business men, farmers and city residents will be solicited to store their produce and other perishables at this plant, according to Mr. Rossman.

Recent advances in the prices of building materials indicate that there is little hope for a more economical time to build and those who have been waiting to take advantage of the deflation results are beginning to realize that now is the time to build.

Garrett-Stephenson

T. N. Garrett and Miss Mabel Stephenson were united in marriage yesterday morning at 9:45 by Esquire T. J. Griffiths at his office in the court house. They will reside in the Thompson community.

C. M. BLAIR CLAIMED BY DEATH—BURIED IN EAST VIEW CEMETERY

County Tax Collector Succumbs Following an Operation For Appendicitis—Well Known

Men, women and children representing a typical gathering of southern democracy; bankers, laborers, farmers, ministers, lawyers, doctors, county and city officials—100 from every station in life thronged the First Baptist Church this afternoon at 3 o'clock and accompanied the funeral procession bearing the remains of C. M. Blair, to pay their last respects to their deceased friend and fellow-townsmen.

From every part of the county, friends came to Vernon today and attended the funeral services. Almost 45 minutes were consumed while the hundreds who packed the First Baptist Church—many remaining on the outside, being unable to gain entrance, viewed the remains. Beautiful floral offerings filled the church altar and were banked around the casket.

Rev. L. J. Mims paid a beautiful tribute to the character and life of the deceased and the church auditorium was occupied by a multitude of friends who mourned the passing of their esteemed and honored friend.

Charles M. Blair 44, county tax collector and one of the best known and most popular citizens in Wilbarger county, died at a local sanitarium yesterday at 1:30, following a three week illness, during which time he made a desperate fight for his life, against overwhelming odds.

Mr. Blair was taken suddenly and critically ill at his home over three weeks ago and was removed to a local sanitarium where an operation for appendicitis was performed. Since then, night and day, a heroic struggle for life was made, until the end came yesterday.

Hundreds of citizens in the county and city anxiously inquired of his condition from time to time. Close friends of the deceased were cheered or depressed as the news, good or bad, reached them. Last week it was thought that he had a good chance for his life, but Sunday he began to sink, and realizing that the end was near, relatives and friends, at his request, were admitted to the sick room. He talked freely with relatives and close friends up until a few minutes before his death.

Mr. Blair was serving his third term as tax collector for this county, having been re-elected over three opponents at the primary last July.

He was born near Springtown, July 8, 1878 and has spent all of his life in this state. He was educated in the public schools of Springtown and resided there until he reached manhood. He moved to West Texas in 1909 and was married to Miss Sallie Gilliland of Vernon. Soon after their marriage they moved to Chillicothe where they resided for six years. Mr. Blair was manager of the Chillicothe store of the Perkins-Timberlake associated stores. They moved from Chillicothe to Vernon, where they have made their home since.

Mr. Blair was converted to the Christian faith at an early age and united with the Baptist church here three years ago. He has always been a devoted father and husband.

He is survived by his wife and three sons; Charles Melvin, Jr., Robert Kendrick and William Paul. His mother, Mrs. Martha Blair, three brothers and two sisters also survive him. His mother and brothers, Ben Blair of Fort Worth and Tom Blair of San Angelo were here for the funeral. Mrs. Blair's brothers, C. W. Gilliland of Wichita Falls and Will Gilliland of Oakwood, Okla., and families also attended the funeral and were present at his death.

Mr. Blair was a member of the state tax collectors association and held the office of treasurer of that organization. He was an active member of the Lions club and the local Elks lodge.

Funeral services were held this afternoon at 3 o'clock at the Baptist church with Rev. L. J. Mims pastor, in charge of the ceremonies. The church building was packed to its capacity. Interment was made in East View cemetery.

Active pall bearers were; S. E. Porterfield, J. W. Brock, Jr., J. N. Funcher, Cy Long, Forest Nowlin and Frank L. Massie. Honorary pall bear-

GIVES UP SLAYER TO SAVE HER HUSBAND.

Mrs. Catherine Uribe & Little Phil Alguin

On information furnished by Mrs. Catherine Uribe, formerly an American actress, Little Phil Alguin, two-gun man and man-killer, was deported from Mexico to Freemont, Texas, and there arrested for the murder of Policeman Fitzgerald, of Los Angeles. The story is full of romance. Mrs. Uribe's husband and her brother-in-law are held in Los Angeles for stealing automobiles. She surrendered Alguin to gain their freedom. Mrs. Uribe boasts that she has Clara Phillips, the escaped "stone age" murderess, hidden away in Chihuahua and that she will turn her over to the American authorities as soon as her husband is freed. When she saw Alguin in the custody of Americans she went up to him and expressed regret for "turning him up." Alguin assured her "it was all right, but as soon as she had gone away he said bitterly: "She saved her husband—but it's going to cost me my life!"

FIRE DESTROYS TWO FRAME BUILDINGS

BOWIE STREET RESIDENCE IS
BURNED AND SERVANT HOUSE
AT CONDONS DESTROYED

Two fires which destroyed property totaling about \$1500 occurred in Vernon Saturday.

The first conflagration took place on South Bowie street when fire of unknown origin destroyed the frame cottage owned by Robert Cruse. The fire broke out about 2:30 in the morning and before the city department could reach the scene, the house had been almost completely destroyed. It was valued at \$1,500 and well covered with insurance.

About 11:30 Saturday morning fire destroyed a servants house at the J. A. Condon home, one mile west of town. The chemical engine responded to a call in this case and upon arriving on the scene it was found that the servant house had gone up in flames.

Inspect Club Property

John Huntley, Jim Key and Mayor Mason rushed to the Condon home. Several local citizens, principally members of the Hill Crest country club rushed out to the scene following a report that the club building was on fire. Messrs. Huntley, Key and Mason accompanied the party to the club building after the Condon fire had been subdued. The officials inspected the club property with a view to determining its protection facilities in the event of a fire. "The lake's proximity to the club house furnishes a splendid protection. The water can be easily thrown to the building in case of fire," Mr. Huntley said today.

Marriage License Issued

License to wed were issued this week to M. C. Renke and Mrs. Bessie Hughes and T. N. Garrett and Miss Mabel Stephenson.

ROGERS CANDIDATE FOR RE-ELECTION

E. M. Rogers, present incumbent, is candidate for re-election to the office of city commissioner, place number 4, east side, it becomes known today.

Mr. Rogers has held this office for the past two years, having been elected in April 1921. He was county clerk of Wilbarger for many years and is one of the best known citizens of the county.

When asked for a statement for publication by a Record reporter today, Mr. Rogers replied that he had no statement or promise to make—he was just a candidate for re-election to the office.

INSPECTS LOCAL COLLEGE

C. I. Barfield of Mineral Wells was in Vernon last week looking over the local commercial college field. While here he inspected Holcomb Training school.

ers were: John P. King, W. T. Colburn of Odell, W. A. Lane, E. C. Christian, W. M. McCaleb and A. M. Bourland.

PIONEER WILBARGER RESIDENT IS DEAD

PROMINENT LOCKETT MAN IS
BURIED IN EAST VIEW CEMETERY YESTERDAY

Tilman J. Lockett, 71, prominent Wilbarger farmer and land owner, died Sunday night at 8:45 at his home nine miles southwest of Vernon in the Lockett community. Mr. Lockett had been in failing health for several months and an attack of flu hastened his demise.

The family came to this county direct from Tennessee in 1890 and have made their home continuously since that time in the community which bears his name.

The deceased was born in Sumner county, Tenn., August 22, 1848. He was married to Miss Mattie Scott of that county nearly fifty years ago. They would have celebrated their golden wedding anniversary this year, it is stated.

At the age of 16 Mr. Lockett joined the Baptist church and since that time has been an earnest and consecrated Christian. He was one of the charter members of the Lockett Baptist church and has been a loyal supporter of this church since it was organized.

He is survived by his widow and five children, all of whom live in this county and were present at the funeral. They are: F. S., J. E. and J. B. Lockett and a daughter, Mrs. Virgie Cato, who live in the Lockett community. Mrs. Emma Lowe, another daughter is a resident of Vernon. Dr. Lee Lockett of Abilene, a nephew of the deceased attended the funeral.

Services were conducted at the family residence yesterday afternoon at 2:30. Rev. Edgar Pippin, pastor of the First Baptist church at Lockett, assisted by Rev. L. J. Mims of the First Baptist church of Vernon conducted the ceremonies.

Interment was made in East View cemetery.

Brightens Building and Buys Truck

T. J. Youngblood had the front of his business building repainted a bungalow brown with black trimmings last week which brightens up that part of the block wonderfully. He has also recently purchased a Reo speedster truck with an up-to-date furniture bed, which is gray in color and bears the name of the firm and telephone number.

He also received this week a beautiful new family car.

DISTRICT COURT AD- JOURNS OUT OF RESPECT TO DECEASED OFFICIAL

District judge James V. Leak adjourned his court today at 1 o'clock as a mark of respect for tax collector C. M. Blair who died yesterday.

Judge W. N. Stokes and district attorney A. C. Nicholson were appointed as a committee to draft a suitable resolution to be spread on minutes of the court.

Business Suspended

Every business house in Vernon will close its doors between the hours of 3 and 4 o'clock.

FIVE CONVICTIONS IN DISTRICT COURT

ALLEGED CHECK RAISER GETS
SUSPENDED SENTENCE; HUNG
JURY IN MELTON CASE

Five men were convicted last week in the district court. Two received sentences and three were sentenced to two years each in the penitentiary. E. B. Gilmore received a three year suspended sentence after pleading guilty to raising a check, Herman Templeton was given a five years suspended sentence for theft of a bale of cotton.

C. E. Norman, Sidney Tucker white and Fred Steen, a negro were sentenced to two years each in prison for forgery. They will start serving their sentences at once.

The case of Luther Melton tried for blowing the Forth Worth and Denver office safe in January resulted in a hung jury.

H. C. Johnson and Guy Houghton, also held on the same charge, their cases were continued until next term of court. They were turned over to Oklahoma officials today to answer to charges of safe blowing at Grandfield, Okla.

Roy Scott who was acquitted of the charge of robbery of a freight car in Denver yards was rearrested on a warrant from Wichita county accusing him of theft of a saddle from a man at Electra.

The jury of the week was dismissed yesterday morning and civil cases without jury will continue until the end of the week, it is stated.

Attends Funeral

W. B. Roberts returned Sunday from Frederick where he attended the funeral of Mrs. Noble Cole who died there Saturday. Mrs. Roberts is a sister of Mr. Cole and has been at her bedside for the past week.

SECOND FAIRBANKS ENGINE EXPECTED

A 200 horsepower engine supplementing the 100 horsepower machine that arrived last week is expected to reach Vernon within the next few days, according to city officials. As soon as this engine arrives work will begin on the installation of the power plant machinery. An expert mechanic from the Fairbanks-Morse people of Dallas will supervise the installation of the equipment.

The engines and dynamo equipment which is being installed at the city's property at the water plant, will pump the city water and furnish the street lights. It is planned by the officials to extend their lighting service to all public buildings and also light streets that have not heretofore had lights, according to Mayor Mason. There has also been some talk of lighting the highway leading out of Vernon. It has also been rumored that the city will extend its service to private users, provided, it has sufficient power and equipment. This, however, has not been confirmed by the officials.

Stage Is Set For "Arrival of Kitty"

SCHOLASTIC CENSUS
TAKING IS TO BEGIN
IN CITY THURSDAY

Ward School Principals
To Canvass Homes—
Must Be Finished During
March

How many children in Vernon between the ages of 7 and 17? This question will be answered during the month of March when the principals of the various ward schools will take the scholastic census, according to information given out by superintendent E. L. Dohoney. Beginning March 1, the school officials will canvass the city and call at the homes. The law fixes the dates for this work, according to Mr. Dohoney's statement.

It is expected that the census this year will far exceed that of any previous season. Over 1750 pupils are now enrolled in the city schools, according to the superintendent.

Mr. Dohoney's statement follows: "The state law fixes the time for taking the scholastic census throughout Texas—that time is from March 1 to April 1.

"This census in Vernon is in direct charge of the city superintendent. The principals of the ward schools will visit all homes beginning March 1 and enumerate the children between the ages of 7 and 17.

1765 Enrolled

"If a child is not now seven but will be on or before September 1, such child must be enumerated. Children who will be 18 on or before September 1 are not subject to enumeration. All children between the ages above specified must be enumerated.

"We now have enrolled 1765 children—this is about 350 more than were enumerated in March last year. This does not mean that we have that many more in scholastic age. We have the following enrolled who are not subject to enumeration: Children transferred from other districts; children under and over the scholastic age.

"In this connection it should be noted that the state law gives the privilege of the public schools to all children from 7 to 21 years of age. However, all transfers are required to transfer their state school money to the district to which they are transferred and such students are required to pay tuition for six months of the session.

"Children under school age are required to pay from date of entrance.

"It is very important that every child subject to enumeration should be counted in the scholastic census. The amount of state school funds apportioned to Vernon is based on its scholastic census, and we ask the co-operation of the patrons and citizens in taking the scholastic census. Let it be said when the first of April comes that every child of scholastic age in Vernon has been enumerated."

McCARTER ASSISTS CHAMBER ORGANIZATION AT HENRIETTA

E. L. McCarter district manager of the West Texas Chamber of Commerce attended a meeting of the Henrietta Chamber of Commerce, Friday night. Homer D. Wade, assistant manager of the West Texas Chamber of Commerce, was also a guest. At this meeting Henrietta became affiliated with the West Texas Chamber.

JUDGEMENT FOR \$2,200 IN COLE- MANDOVE CASE ASK RETRIAL

A judgement of \$2,200 was rendered in favor of the plaintiff last week in a civil suit in District court in which H. L. Coleman was plaintiff and J. O. Dove defendant. The suit, which was brought on the grounds of partnership accounting, grew out of contract work done on the Underwood Undertaking parlors and the Kinchelec building. The amount sued for was approximately \$4,000, being ten per cent of the alleged cost of the buildings. Mr. Coleman, through his attorney, has asked for a new trial.

Berry Stokes & Kilgough represented Mr. Dove and Judge O. T. Warlick was counsel for the plaintiff.

Local Talent Will Entertain—Tickets Selling Fast—Home Science Club Members Pleased

"How many Vernon people are familiar with that famous comedy known as '45 Minutes From Broadway?' Don't all speak at once!

Well then how many have seen "The Arrival of Kitty?"—That's what I thought." This is the way an enthusiastic Vernomite put a query to a party of friends yesterday. "Well you'll be reminded of '45 Minutes From Broadway' if you attend the home talent play at the Vernon Opera house Wednesday and Thursday evenings" he continued.

"The arrival of Kitty" a comedy of the first class, will be staged under the auspices of the Home Science club and theatre goers are anticipating a real treat tomorrow night and Thursday night at the Vernon Opera house. The play is being directed by Mrs. A. N. Vernon, a graduate of expression, and the cast is made up from the pick of local talent. The city has been placarded with notices of the affair and a page advertisement is carried in today's Record.

Tickets are selling rapidly and the whole town seems to be behind the movement. The Home Science club is one of the oldest federated clubs in this part of the state, it has been active in all measures looking to civic development of the city and is said to be first club to plant trees in Vernon which beauty of its streets. It fostered the purchasing of Allington park which has resulted in the possibility of developing one of the beauty spots of West Texas.

Proceeds to Park.

The proceeds derived from the play will be devoted to a fund that will be used for the purpose of erecting a concrete stage at Allington park, which will be built with a view to later adding an auditorium. Last year pageants were staged by the school children of the city and county. The stage equipment and seating facilities at the park proved wholly inadequate for the occasion of Community week last July. The cost of the proposed stage is estimated at \$700, and in event an auditorium is erected later, Vernon will have adequate facilities for public gatherings.

A playlet to be presented by the little folks will be staged first. The following is the cast:

Ding A Ling

Morgan Shyster an employment agent
Fred Vernon
Fritz Katzendoodle (who wants a job)
Kelly Parker
Rosa Van Nudel, a winemaker
Rosa V. Cole
George Bones (a hell boy) John Napier
Katinka Grauerholz from the old country
Anna Bailey
Gretchen Grauerholz (her sister)
Dorothy Moore
Reuben Cornstassel, a farmer.
John Myatt Napier
Mrs. Cornstassel, his wife
Josephine Flanken
Kitty Rivers, an actress
Alice Stokes
Evelyn Thorne, a vaudeville actress.
Dorothy Rogers

Scene, an employment agency
"The Arrival of Kitty"

William Winkle
Seth Ingram
Aunt Jane his sister
Mrs. R. E. Townsend
Jane (his niece)
Miss Vera Seales
Robbie Baxter
Robert Lutz
Benjamin Moore
Frank Findley
Ting (a hell boy)
Willis Smith
Sam, a colored porter
Robert Hall
Kitty, an actress

Miss Charlie Mae Northercraft
Suzette, a maid
Miss Ruth Batchelor
Nine people comprise the cast of the clever "farce comedy" which has as its setting a summer resort in the Catskill mountains.

FORMER VERNON PASTOR WILL BE IN FREDERICK MARCH 15

The Record is in receipt of a letter from Rev. Ben M. Edwards, former pastor of the Central Christian church of this city stating that he will conduct a revival in Frederick, Okla., beginning about March 15.

Rev. Edwards is wide and favorably known in this section and his pastorate at the local church was a marked success. After leaving Vernon he entered the evangelistic field.

LIONS TO ADVOCATE GOOD ROADS PLAN

WILL MEET WITH COUNTY JUDGE
AND COMMISSIONERS NEXT
FRIDAY

"Good Roads And Better Roads" is a slogan adopted by the Lions club at their regular luncheon held at the sun parlor in the Bailey hotel last Friday. The club is considering a good roads program and have extended an invitation to county judge E. L. McHugh and the four commissioners to meet with that body on its regular luncheon day next Friday. It is expected that the club will place a plan before the officials at this meeting.

The plan of the Lions has not been made public, pending its conference with the judge and commissioners. It is stated.

Judge E. W. Napier of Wichita Falls who was introduced as a guest of the club made a short and interesting talk. Judge Napier exchanged benches with district judge James V. Leek of this district.

Miss Hazel Vaughan of the Vernon high school pleased members and guests of the club by singing a negro melody. Responding to an encore Miss Vaughan offered tickets for sale at the S. M. U. choral club entertainment staged at the high school auditorium Friday night. A large sale of tickets was made.

Mrs. J. E. Collins Mrs. A. N. Vernon and Mrs. A. S. Ross appeared before the club in behalf of the home talent play, "The Arrival of Kitty" which will be presented tomorrow night at the Vernon opera house. The club purchased 57 tickets. Some time ago the Lions club decided to raise funds to build an auditorium at Allington park. Over \$700 was pledged for this enterprise, it is said. Their plans however have been held up on account of other matters, it is said.

The club requested the club women to have the architects include in their plans for the concrete stage the club proposes to build, plans and specifications for an auditorium around the stage.

MISS C. NEWTON DIED YESTERDAY

LIBRARIAN'S AUNT PASSES AWAY
FOLLOWING LINGERING
ILLNESS

Miss Cornelia Newton 81, died at her home in the west part of Vernon yesterday morning at 10:30, after a lingering illness of several weeks. She has been seriously ill for the past week and the end was not unexpected.

Miss Newton was born near Eldorado, Arkansas in 1841, and is one of a family of thirteen children. She made her home with her brother and these two were the only survivors of that family of children. DECLARES SWEET CLOVER IS SUITED TO NORTHWEST TEXAS

"Sweet clover is the only legume that can be generally grown in northwest Texas," according to M. B. Oates, agricultural agent of the Fort Worth & Denver and Wichita Valley railroads. "Alfalfa does well in a few localities, but has not proven successful over a large area. Sweet clover has proven successful and for this reason its growth is being promoted."

"Sweet clover is primarily a pasture crop," Mr. Oates explained. "Much evidence has been found, but there is not enough evidence on sweet clover as a hay crop to recommend it generally for this purpose."

Sweet clover does best when sown in January and February, on well settled land. March seedings are not so good. Seeding should be finished immediately. The only justifiable excuse for waiting until after February is waiting for late plowed land to settle well. A loose open seed bed will not do. It is better to sow on unprepared land than on freshly broken land. If last year's cultivated land is sandy or loamy, it will make a splendid seed bed without breaking. If land is tight a shallow disking will form a good seed bed. Sow, then cover lightly.

The Odell Road

In the northwest corner of Wilbarger
county there is a thriving commu-
nity and awake town named Odell.
The town is surrounded by many acres
of rich, fertile and very productive
cotton land. More than 4,000 bales of
cotton were ginned there this season.
In so far as road outlets to the rest
of the world is concerned, this little
commonwealth has heretofore been
truncated on the north by the treacher-
ous quick sands of Red river and
sand beds on the east. This condi-
tion has always made it inconvenient
and difficult for its citizens to leave
and return.

Recently a bridge has been erected
over the Red river which removes to
some extent the barriers which have
heretofore handicapped this commu-
nity. Immediately following the con-
struction of this bridge Jackson county
Oklahoma built a first class road
from Altus to the bridge, thus ex-
tending a hearty invitation to the citi-
zens of that community to visit with
the Oklahoma towns people and
rural dwellers.

But about a good road to Vernon?
Now, since there is an outlet to the
north for travelers why wouldn't it be
a good constructive measure to im-
prove the condition of the road lead-
ing from Vernon to Odell and the
bridge? It is said that many people
are now attempting to travel from Al-
tus, Oklahoma to Wichita Falls and
other southern points over this bridge.
When the Wichita irrigation project
is completed, it is but reasonable to
assume that this travel will be great-
ly augmented by tourists. Vernon
and Wilbarger county will profit alike
as a result of a good road to Odell
and the Red river bridge and besides

there are many other good reasons
why this road should be built, busi-
ness reasons for both Odell and Ver-
non.

FOSTER'S WEATHER BULLETIN

Washington, March 3rd, 1923.—The
severe storms are very important, they
bring the moisture, the temperature
extremes and give the signals for the
change of evaporation every five or
six months; therefore I am hoping to
soon more definitely give the place
they will strike; I do closely give their
dates. Frequent warnings were given
that had storms and bad weather were
expected during first half of February
and would benefit winter grain. The
March storms will not be so radical as
were those of February, but, as we
are promised three weeks of bad weather,
with the central dates near Mar.
5, 20 and 29, they threaten to give us
little good weather. Really these bad
storms are needed to revive the grain
between Meridian 90 and Rockies' Crest
heretofore damaged by a mois-
ture shortage. March has a bad reputa-
tion on account of its bad weather.
caused, principally because of its being
an equinoctial month. But the equi-
noctial storms occur at any time be-
tween Mar. 1 and Apr. 1. The equi-
noctial do not cause severe storms, they
only bring more favorable conditions
for bad weather; even the Congress
has been whipped out by the March
equinoctial and will, therefore, proba-
bly change Inauguration Day. Local
forecasts follow:

Section 1: North of 47, between 90
and Rockies' Crest lowest temperature
March 4 and 12, highest 8 and 18; av-
erage about normal; severe storms
near 5; normal moisture.

Sec. 2: North of 47, east of 90; low-
est temperatures March 6 and 14, high-
est 10 and 20; average normal; normal
moisture; severe storms near 10.

Sec. 3: Between 29 and 47 and be-
tween 90 and Rockies' Crest; lowest
temperatures March 5 and 9, highest
severe storms 8; normal moisture.

Sec. 4: East of 90, between latitude
39 and 47; lowest temperature March
4 and 12, highest 8 and 16; average
above normal; severe storms near 9.

Sec. 5: South of 39, between 90 and
Rockies' Crest; highest temperatures
March 4 and 13, lowest 9 and 17; av-
erage near normal; severe storms 8;
normal moisture.

Sec. 6: South of 39, east of 90; high-
est temperatures Mar. 6 and 15, lowest
4 and 11; average colder than usual;
normal moisture; severe storms 10.

Sec. 7: North of 43½, west of Rock-
ies' Crest highest temperature March
4 and 13, lowest 9 and 17; average
near normal; severe storms and most
moisture.

Sec. 8: South of 43½, to Mexican
line, west of Rockies' Crest; highest
temperatures near March 5 and 15,
lowest 10 and 19; average near nor-
mal; severe storms and most mois-
ture near 8.

My readers are requested not to ad-
dress me at any newspaper office but
at 1625 1-2 North Capitol, Washington
D.C. Corn crops of South America
have been seriously damaged by a rain
shortage. Another war in Europe
would put cotton markets down and
grain up. Don't give any attention to
the big reductions in the grain mar-
ket; they are caused by speculators;
supply and demand govern the annual
average markets of grain and cotton
the grain market year runs from
August to August and the cotton mar-
ket year begins a little later. When
farmers want to sell grain or cotton
they should use the Farmer's Hedge.

CANADA TO HANG TWO WOMEN FOR MURDER.

Mrs. Irene M. Christensen Mrs. Florence Lassandra

Two Canadian women were hanged soon for the murder. The first to
mount the gallows was Mrs. Florence Lassandra who was to die in Alberta
on February 21 for complicity in the murder of a peace officer. Mrs. Irene May
Christensen, of Damp, Alberta, is under sentence to die on April 4 for the mur-
der, last September, of her husband.

Some sections of North America will
fail this year on their crop. Nearly
all storms of this continent originate
on the Pacific slope, north of Mexico.
Of the 107 recorded for March, 75 origi-
nated near the State of Washington,
just eastward, by way of St. Louis,
into the Atlantic by way of Newfound-
land.

WHITE CITY

By special correspondence.

Mrs. C. F. Brinkley of Vernon came
out Monday to visit with her daughter
Mrs. H. F. Box, who is ill with the flu.
Mrs. Box is some better.

Rev. and Mrs. W. W. Adams and
son C. L. were called to the bedside of
one of their daughter and sister, Mrs. O.
D. Stone, near Odell, who was very
sick with flu. Mrs. Adams remained
with her several days.

J. B. Little son of C. C. White has
been sick for several days but has im-
proved.

Chas. Holston and daughter, Opal,
and Mrs. Hise of Rayland visited Robt.
Holston Sunday afternoon.

Rev. Owen and family of Hank Hill
were dinner guests of Mr. and Mrs. R.
G. Holston Sunday.

Jim Conger has been sick with the
flu for two weeks but has about re-
covered.

Mrs. W. M. Owens of Memphis came
Thursday to visit her sister, Mrs. Perry
White. She returned home Sunday.

Rev. Owens preached at the church
last Sunday morning at 11 o'clock. We

are certainly glad to have him with us
and he will be here at the same hour
next third Sunday.

At 2:30 last Sunday singing began.
There was a good crowd with visitors
from several communities. Singing
was good.

Little Eric Nell Adams is seriously
sick and has been for two weeks.

A good crowd enjoyed singing at S.
E. Floyd's Sunday night.

Miss Alice Starr has been in Vernon
for some time where she was taking
medical treatment. She has come back
home now, but is still under care of
the doctor.

W. W. Adams attended church
at Hinds Sunday morning.

Ivan Richardson has the flu.

Mrs. Lee Coffey is sick with the flu.

W. H. and J. W. Armstrong and
families of Medicine Mounds visited
Mr. and Mrs. W. A. Mayfield. The
former is Mrs. Mayfield's father and
the latter her brother.

1129 at Sunday School

The total attendance at the five
Sunday schools last Sunday was 1129,
according to Rev. Lewis P. Kopp, sec-
retary of the Pastors association. The
First Baptist leads the list with 388.
The following list gives the attendance
in detail.

MARKET OPENS

The formal opening of the White
House market which recently moved
into the building formerly occupied by
the Herring-Showers Hardware Co.,
was held last Saturday and attended
by over 1800 people, according to J.
R. Huie, manager of the new enter-
prise.

Mr. Huie has recently moved to
Vernon from Odell.

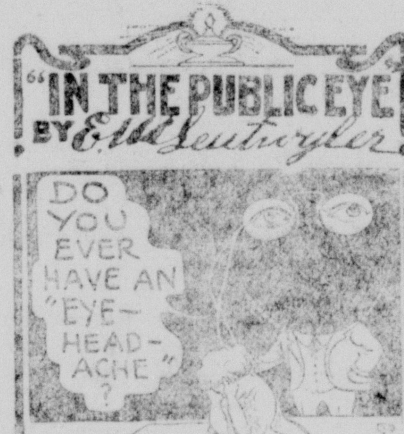

Various manufacturers of grocery
articles supplemented the occasion with
a feast at which coffee, fruits, cakes
and pickles were served free.

"Friends of Miss Ramal Butler will
be glad to know that she is not ill and
has not been ill as has been reported.
A message from the college of Indus-
trial Arts has been received in the city
which reads "Ramal is not ill, and is
attending classes as usual, signed."

'SEED-OL-O-GY'

To the unthinking man "plantin' seed"
is just "plantin' seed"—that's all.

But to the man who keeps posted, the
selection of planting seed is just about
as important a thing as the planting
itself.

It has been thoroughly proven that it is
a matter of dollars and cents and the
man who will stop just a minute and
think will readily see why.

Good, well-bred seed may be had. They
take no more room than inferior seed;
no more time to cultivate, and the re-
turns in cash and satisfaction will just-
ify any man's time and pains.

We have no seed to sell, but we can help
you get them if you want them.

UNIVERSITY GIRLS PLEASE AUDIENCE

S. M. U. CHORAL CLUB MAKE BIG HIT IN MUSICAL CONCERT FRIDAY NIGHT

Thirty-three girls, with Harold Hart Todd, director and Stuart M. Meadows, business manager, comprising the choral club of the Southwestern Methodist University, rendered an excellent program at the High school Friday evening before an audience that comfortably filled the auditorium. The audience was unusually responsive and displayed a high appreciation of the musicians' work. It was one of the best concerts ever staged in Vernon. The affair was held under the auspices of the senior class of the local high school.

The affair in every particular, displayed the university type. The zest and life which is usually prevalent among university girls reflected itself in every member of the concert. All of the chorists numbers scored a big hit with the audience and the comedy was unusually good. The violin solos were of a class rarely heard at a university exhibition.

MISS PIERCE STARS

Miss Catherine Pierce of Vernon, daughter of T. L. Pierce, was heartily cheered by the audience. She responded to two encores, the first being, "Pop Goes the Weasel." So enthusiastic was the audience that she was obliged to return the second encore. This time she played "Minuet in G". Miss Pierce is recognized as a violin artist of wonderful ability.

Miss Louise Kramer of Dallas pleased the audience with a violin solo that displayed the artistic qualities of a real master of the bow. Her work was heartily cheered.

One of the attractions which featured the concert was a comedy furnished by a lively one act skit: "How a Woman Keeps a Secret," during which an attractive debutante disclosed her matrimonial intentions at an afternoon tea. Constance Lungkwitz, Helen Synnot, Ruth Fouts and Madeline Abraham very cleverly handled the leading roles in this interesting act.

Another comedy feature was a "Scarecrow dance" by two unidentified but very clever performers.

Marjorie Daniels and Stewart M. Meadows, business manager of the club appeared in their "Oh No John" number. This was a love affair and was handled like a seasoned stage couple.

Total receipts were approximately \$200, expenses \$11. Net receipts to the senior high school class \$189.

WHITE CITY PLAY AT TOLBERT

The students of the White City school will present the play "Scotch" at Tolbert Friday night at the school auditorium. This play was given at Odell last Friday night and scored a big hit with the audience. The plot is a comprehensive and interesting plan and was presented by an exceptionally good cast, it was stated.

Birnbaum, Mr. and Mrs. Ed Krebs, Misses Esther and Ruth Teinert, Louise Grieschel, Christa Hingst, Gertrude, Gussie and Frieda Gihlhausen, Alma Hempel, Louise Lowke, Nora Karcher, Esther Nimsch and Messrs. Hugo Gihlhausen, Paul Lowke, Arthur and Werner Hingst, Karl Schur, Herbert Neese, Ed Kunkel and Walter Teinert.

J. J. LARIMORE IS BURIED YESTERDAY

FATHER OF W. A. LARIMORE DIED IN VERNON LAST SUNDAY NIGHT

J. J. Larimore 84, died at the home of his son W. A. Larimore Sunday night after illness of several months.

Mr. Larimore suffered a stroke of paralysis in the early fall and never recovered from this attack. Deceased was born in Arkansas, but 53 years of his life had been spent in Texas. Since the death of his wife some years ago Mr. Larimore has made his home with his only surviving child, and for the past ten years they have resided in Vernon.

Funeral services were held at the Church of Christ yesterday afternoon at 3 o'clock and were conducted by Elder Thomas E. Mitholland, pastor. Mr. Larimore was a devoted member of this church. The pall bearers were: J. A. Puckett, J. W. Clark, Reed Smith, Lon Byars, Frank Wright, K. G. McDonald. Interment took place in East View cemetery.

ODELL WOMAN'S BOND SET AT \$750 BY U. S. COMMISSIONERS

United States Commissioner J. A. Lantz set the bond of Miss Nancy Crownover of Odell at \$750. Monday afternoon at a hearing in Wichita Falls. Miss Crownover was arrested by U. S. Marshal John Saye assisted by R. J. Bailey, deputy sheriff, of this county at her home near Odell Thursday afternoon and was taken at once to Wichita Falls. She is charged with complaint of having used the U. S. mails to defraud. It is stated she secured various sums from men over the country for traveling expenses after she had become engaged to them through correspondence. The complaint was filed after an investigation conducted by government post office inspectors.

League Council Held Last Night

The first council of the Epworth league was held last night at the Methodist church and plans were discussed by the council for the coming year. A business session has been called for next Friday night in order that the members of the League may pass on them.

Sunday night the delegates who attended the conference at Quanah, on Friday and Saturday gave interesting reports of the two days session. Next Sunday evening the Tolbert League will give the program at the regular hour at the Methodist church here. Members are requested to attend the business session Friday night and also the meeting Sunday night.

CIVIC LEAGUE OURS

"Several members of the Civic League have failed to pay last year's dues. Please attend to this at once. The year is up March 1st and Mr. Collins the man who hauls has been faithful and wants to haul another year. We recommend you continue with him. He will haul and collect by the month hereafter."

Mrs. W. H. Huggins, Secretary-Treasurer of Civic League.

LOCAL METHODISTS VISIT WICHITA FALLS

TEACHERS AND OFFICERS ARE GUESTS OF SUPERINTENDENT KILLGOUGH

On last Sunday R. D. L. Killgough, superintendent of the Methodist Sunday school of Vernon entertained his officers, teachers and members of the orchestra with an automobile trip to Wichita Falls and a visit to the Floral Heights Methodist Sunday school. Mrs. R. S. McConihe's orchestra, in response to an invitation from the Wichita Falls Methodist Sunday school, furnished the music during the Sunday school hour and also gave a special number at the morning church service. Mr. Killgough also made a short address to the Sunday school. The officers and teachers from Vernon visited the well equipped departments in the beautiful new church and viewed the splendid work being done by the Floral Heights Sunday school corps of wide awake officers and teachers. After listening to an eloquent sermon by Rev. S. A. Barnes, pastor of the church, Mr. Killgough's guests went to the Kemp Hotel where a delicious dinner was enjoyed, consisting of:

Assorted Hens D. D'ivers, Celery, Olives, Pickles, Cream of Asparagus, fillet of sole a la cardinal, half chicken roadhouse style potatoes, O'Brien, Cream Cauliflower, golden gate salad, French salad, French cream, petit four demi-tasse.

The following comprised the party: Mr. and Mrs. McConihe, Misses Lizzie Reese, Iris Young, Bernice Morrison, Winnie Jewel Norwood, John Petty, Keith Pigg, Thornton Ferguson, Thornton Staley, Chas. White, Mr. and Mrs. W. J. Stuckler, Mr. and Mrs. Raleigh Hooper, Mr. and Mrs. C. W. Andrews, Mrs. L. D. Terrell, Mrs. H. W. Norwood, Mrs. Walter Ferguson, Mrs. W. O. Colley, Miss Ola Ferguson, Miss Winnie Wafer, R. E. Wafer, Harold Parsley, Roy Allison and R. D. L. Killgough.

UNION

By special correspondence. Union, Feb. 22.—Farmers of this community have begun preparing the land for the planting season.

Mr. and Mrs. Jesse Hampton visited their uncle, R. M. Hampton, Friday.

Fay Leverett, the baby daughter of Mr. and Mrs. G. E. Leverett, who has been very ill, is improving.

Mr. and Mrs. Malcolm Showers, of West Vernon, visited their son, G. E. Leverett, Sunday.

Among the visitors to Vernon Saturday were H. B. Clarida, Mr. and Mrs. Earnest Leverett and daughters, Ina Pearl and Naomi, and Mr. and Mrs. E. B. Gilchrist.

Miss Lena Sietze, of Vernon, visited Misses Etta and Gracie Brewster Sunday.

R. M. Hampton, D. L. Blackwell and J. R. Hampton were in Vernon Friday.

Mr. and Mrs. Leslie L. Bess were visitors in the Brown community Sunday.

Lockett visitors to this community Sunday, who attended singing here, were A. M. Hampton and his son, Jimmie and little daughter, Nellie and Mr. Bruce.

T. J. Combs led the singing Sunday, as Mr. McDonald was unable to be present.

Mr. and Mrs. J. R. Hampton visited his parents, Mr. and Mrs. Arch Hampton, of Lockett, Sunday.

John Gilchrist was a visitor in the Brown community Sunday night.

The worst sand on the road west of Union is clayed and packed. O. C. Pigg is the contractor. We certainly are proud of the efforts being made for betterment of the sandy roads.

Mr. and Mrs. E. B. Gilchrist and daughter, Bernice Lou, visited Mr. and Mrs. J. T. Wheeler, of Brown, Sunday.

Tom Walker, of Talmage, attended singing here Sunday.

Mr. and Mrs. H. B. Clarida and little daughter, Ruth, attended church in Vernon Sunday.

Mrs. E. B. Gilchrist visited Mrs. Stevens of Lockett, Monday.

Every third Sunday is the singing evening at Union.

The Union Sunday school does not exist any longer. We will meet in the near future and organize a denominational Sunday school. Watch for the date in The Vernon Record.

BROWN

By special correspondence. Brown, Feb. 22.—Farmers are very busy preparing their land for this year's crops.

LITTLE GLIMPSES INTO VERNON'S PAST AS THE RECORD CHRONICLED IT

After having been out two months today, the surveying crew sent out to locate the line of the proposed Oklahoma, Vernon and Pacific railroad returned Saturday afternoon, all in good health and with no special marks of harm from the severe weather which it was necessary for them to brave while on the trip. Two months is quite an extended camp-out, especially during the coldest months of the year, and from what we can gather, all the boys were glad to be at home again, as was also Chief Engineer Robinson.

The first line run was almost a perfect tangent to Crowell, with a very slight grade at any point. From Crowell, however, the expense of construction will be increased considerably on account of the streams to be crossed, as well as the broken condition of the country in places.

The line, as run, extends through a number of the big ranges lying to our west, and found a pass-way about 50 miles this side of Estacada, to which point the survey has been completed.

Owing to the fact that there are some technicalities in the right-of-way along the route of the first survey from this place to Crowell, and the further fact that the line was brought too near Pate river, a second line was run from a point west of Crowell back to Vernon, and it is this that is now taking up considerable time on the part of the civil engineer. White

was first intended to build by way

of Crowell, this would be next to impossible should it be necessary to choose the southern route. The towns of Rayland and Thalia are so situated that they could move to the road in either event.

When asked by a Record representative as to the merits of the route so far as small grade and business prospects were concerned, Mr. Robinson, though not at liberty to give a complete report to the public, expressed himself freely by saying that, with a few difficulties to be overcome, it would be hard to beat.

As soon as the engineer's report has been handed in, matters pertaining to the financial end of the project will be taken up in their proper course. (From The Vernon Record, March 25, 1909)

BUILDING ACTIVITY IN VERNON TAKES BOOM ATMOSPHERE

Much Construction Re-
cently—Other Build-
ings Contemplated—
Materials Advance

"Is Vernon on the threshold of a big building boom? Looks like it!" This is a question that many local business men are asking each other and the answer that usually replies when the query is heard on the streets.

Since the first of the year and just prior to the holiday season several contracts for buildings were let. Some of these buildings have been completed and others are being constructed. It is said that other large building programs are contemplated. Considerable real estate has changed hands in both the business and residential sections of the city. Thus a glance at the actual facts clearly indicate that Vernon has not only completely recovered from the business slump and deflation period that began in 1920, but has launched into a period that bids fair to out rival any period in her history, from the standpoint of building activities and prosperity. "You can just feel it in the air," said a local citizen today.

W. H. Evans Starts

It was H. W. Evans one of Wilbarger's pioneer citizens and town builders who apparently struck the first blow in the face of old man "Pessimism."

Only recently Mr. Evans completed the construction of an up-to-date one-story building on West Wilbarger just back of the Farmers State Bank building. The Hawkins-Williams Furniture Company have moved into this building and established one of the most attractive furniture stores in this section of the state.

The same pioneer town builder is now erecting two brick buildings just around the corner from the furniture store building, on Fannin street. These buildings will both be 30x50 feet. They will have metal ceilings, plastered and in every respect modern.

Fred L. Reed's Automobile paint shop will occupy one of these buildings. Clayton Thomas will operate a garage in the other building.

Ed Lehman has let a contract for a \$6,000 brick residence to be erected on his ranch 12 miles west of town.

The city of Vernon has recently completed an engine house on its property. R. L. Jones, local contractor, has handled the construction work on these various jobs.

The North Texas Hardware company erected, last year, a modern brick building on west Peace street. In fact this concern really began its construction work before Mr. Evans launched his building campaign. They have occupied their new quarters for several months and it is said to be one of the best buildings in the city.

J. J. Manis and Sons garage building on the corner of Texas and Cumberland streets is nearing completion and it is expected that it will soon be occupied. This building is constructed of face brick fronting both streets. Allen & Davis, local contractors are handling the job.

J. A. Puckett's filling station building on north Main street was completed prior to the first of the year.

Ice Plant

The Coca-Cola Bottling and Ice Co., are pouring the foundation for their modern fire proof building on the corner of Texas and Fannin streets. It is estimated that this structure, when completed, will have cost about \$15,000.

This building will be used exclusively for an ice distribution and cold storage plant. It is pointed out by Mr. Rossmann, local manager of the ice factory, that this enterprise will be used principally for cold storage purposes. Business men, farmers and city residents will be solicited to store their produce and other perishables at this plant, according to Mr. Rossmann.

Recent advances in the prices of building materials indicate that there is little hope for a more economical time to build and those who have been waiting to take advantage of the deflation results are beginning to realize that now is the time to build.

Garrett-Stephenson

T. N. Garrett and Miss Mabel Stephenson were united in marriage yesterday morning at 9:45 by Esquire T. J. Griffiths at his office in the court house. They will reside in the Thompson community.

C. M. BLAIR CLAIMED BY DEATH—BURIED IN EAST VIEW CEMETERY

County Tax Collector
Succumbs Following an
Operation For Appen-
dicitis—Well Known

Men, women and children representing a typical gathering of southern democracy; bankers, laborers, farmers, ministers, lawyers, doctors, county and city officials—100 from every station in life thronged the First Baptist Church this afternoon at 3 o'clock and accompanied the funeral procession bearing the remains of C. M. Blair, to pay their last respects to their deceased friend and fellow-townsmen.

From every part of the county, friends came to Vernon today and attended the funeral services. Almost 45 minutes were consumed while the hundreds who packed the First Baptist Church—many remaining on the outside, being unable to gain entrance, viewed the remains. Beautiful floral offerings filled the church altar and were banked around the casket.

Rev. L. J. Mims paid a beautiful tribute to the character and life of the deceased and the church auditorium was occupied by a multitude of friends who mourned the passing of their esteemed and honored friend.

Charles M. Blair, 44, county tax collector and one of the best known and most popular citizens in Wilbarger county, died at a local sanitarium yesterday at 1:30, following a three week illness, during which time he made a desperate fight for his life, against overwhelming odds.

Mr. Blair was taken suddenly and critically ill at his home over three weeks ago and was removed to a local sanitarium where an operation for appendicitis was performed. Since then, night and day, a heroic struggle for life was made, until the end came yesterday.

Hundreds of citizens in the county and city anxiously inquired of his condition from time to time. Close friends of the deceased were cheered or depressed as the news, good or bad, reached them. Last week it was thought that he had a good chance for his life, but Sunday he began to sink, and realizing that the end was near, relatives and friends, at his request, were admitted to the sick room. He talked freely with relatives and close friends up until a few minutes before his death.

Mr. Blair was serving his third term as tax collector for this county, having been re-elected over three opponents at the primary last July.

He was born near Springtown, July 8, 1878, and has spent all of his life in this state. He was educated in the public schools of Springtown and resided there until he reached manhood. He moved to West Texas in 1906 and was married to Miss Sallie Gilliland of Vernon. Soon after their marriage they moved to Chillicothe where they resided for six years. Mr. Blair was manager of the Chillicothe store of the Perkins-Timberlake associated stores. They moved from Chillicothe to Vernon, where they have made their home since.

Mr. Blair was converted to the Christian faith at an early age and united with the Baptist church here three years ago. He has always been a devoted father and husband.

He is survived by his wife and three sons: Charles Melvin, Jr., Robert Kendrick and William Paul. His mother, Mrs. Martha Blair, three brothers and two sisters also survive him. His mother and brothers, Ben Blair of Fort Worth and Tom Blair of San Angelo were here for the funeral. Mrs. Blair's brothers, C. W. Gilliland of Oklahoma Falls and Will Gilliland of Oklahoma, and families also attended the funeral and were present at his death.

Mr. Blair was a member of the state tax collectors association and held the office of treasurer of that organization. He was an active member of the Lions club and the local Elks lodge.

Funeral services were held this afternoon at 3 o'clock at the Baptist church with Rev. L. J. Mims pastor, in charge of the ceremonies. The church building was packed to its capacity. Interment was made in East View cemetery.

Active pall bearers were: S. E. Porterfield, J. W. Brock, Jr., J. N. Fudcher, Cy Long, Forest Nowlin and Frank L. Massie. Honorary pall bear-

GIVES UP SLAYER TO SAVE HER HUSBAND.

Mrs. Catherine Uribe & Little Phil Alguin

On information furnished by Mrs. Catherine Uribe, formerly an American actress, Little Phil Alguin, two-run man and man-killer, was deported from Mexico to Fremont, Texas, and there arrested for the murder of Policeman Fitzgerald of Los Angeles. The story is full of romance. Mrs. Uribe's husband and her brother-in-law are held in Los Angeles for stealing automobiles. She surrendered Alguin to gain their freedom. Mrs. Uribe boasts that she has Clara Phillips, the escaped "stone age" murderer, hidden away in Chihuahua and that she will turn her over to the American authorities as soon as her husband is freed. When she saw Alguin in the custody of Americans she went up to him and expressed regret for "turning him up." Alguin assured her "it was all right, but as soon as she had gone away he said bitterly: "She saved her husband—but it's going to cost me my life!"

FIRE DESTROYS TWO FRAME BUILDINGS

BOWIE STREET RESIDENCE IS
BURNED AND SERVANT HOUSE
AT CONDONS DESTROYED

Two fires which destroyed property totaling about \$1500 occurred in Vernon Saturday.

The first conflagration took place on South Bowie street when fire of unknown origin destroyed the frame cottage owned by Robert Cruse. The fire broke out about 2:30 in the morning and before the city department could reach the scene, the house had been almost completely destroyed. It was valued at \$1,500 and well covered with insurance.

About 11:30 Saturday morning fire destroyed a servants house at the J. A. Condon home, one mile west of town. The chemical engine responded to a call in this case and upon arriving on the scene it was found that the servant house had gone up in flames.

Inspect Club Property

John Huntley, Jim Key and Mayor Mason rushed to the Condon home. Several local citizens, principally members of the Hill Crest country club rushed out to the scene following a report that the club building was on fire. Messrs. Huntley, Key and Mason accompanied the party to the club building after the Condon fire had been subdued. The officials inspected the club property with a view to determining its protection facilities in the event of a fire. "The lake's proximity to the club house furnishes a splendid protection. The water can be easily thrown to the building in case of fire," Mr. Huntley said today.

Marriage License Issued

License to wed were issued this week to M. C. Renkle and Mrs. Bessie Hughes and T. N. Garrett and Miss Mabel Stephenson.

ROGERS CANDIDATE FOR RE-ELECTION

E. M. Rogers, present incumbent, is candidate for re-election to the office of city commissioner, place number 4, east side, it becomes known today.

Mr. Rogers has held this office for the past two years, having been elected in April 1921. He was county clerk of Wilbarger for many years and is one of the best known citizens of the county.

When asked for a statement for publication by a Record reporter today, Mr. Rogers replied that he had no statement or promise to make—he was just a candidate for re-election to the office.

INSPECTS LOCAL COLLEGE

C. I. Barfield of Mineral Wells was in Vernon last week looking over the local commercial college field. While here he inspected Holcomb Training school.

ers were: John P. King, W. T. Collins of Odell, W. A. Lane, E. C. Christman, W. M. McCaleb and A. M. Bourland.

PIONEER WILBARGER RESIDENT IS DEAD

PROMINENT LOCKETT MAN IS
BURIED IN EAST VIEW CEME-
TERY YESTERDAY

Tillman J. Lockett, 74, prominent Wilbarger farmer and land owner, died Sunday night at 8:45 at his home nine miles southwest of Vernon in the Lockett community. Mr. Lockett had been in failing health for several months and an attack of flu hastened his demise.

The family came to this county direct from Tennessee in 1890 and have made their home continuously since that time in the community which bears his name.

The deceased was born in Sumner county, Tenn., August 22, 1848. He was married to Miss Mattie Scott of that county nearly fifty years ago. They would have celebrated their golden wedding anniversary this year, it is stated.

At the age of 16 Mr. Lockett joined the Baptist church and since that time has been an earnest and consecrated Christian. He was one of the charter members of the Lockett Baptist church and has been a loyal supporter of this church since it was organized.

He is survived by his widow and five children, all of whom live in this county and were present at the funeral. They are: F. S., J. E. and J. B. Lockett and a daughter, Mrs. Virgie Cato, who live in the Lockett community. Mrs. Emma Lowe, another daughter is a resident of Vernon. Dr. Lee Lockett of Abilene, a nephew of the deceased attended the funeral.

Services were conducted at the family residence yesterday afternoon at 2:30. Rev. Edgar Pippin, pastor of the First Baptist church at Lockett, assisted by Rev. L. J. Mims of the First Baptist church of Vernon conducted the ceremonies.

Interment was made in East View cemetery.

Brightens Building and Buys Truck

T. B. J. Youngblood had the front of his business building repainted a bungalow brown with black trimmings last week which brightens up that part of the block wonderfully. He has also recently purchased a Reo speedster truck with an up-to-date furniture bed, which is gray in color and bears the name of the firm and telephone number.

He also received this week a beautiful new family car.

DISTRICT COURT AD-

JOURNS OUT OF RESPECT
TO DECEASED OFFICIAL

District judge James V. Leak adjourned his court today at 1 o'clock as a mark of respect for tax collector C. M. Blair who died yesterday.

Judge W. N. Stokes and district attorney A. C. Nicholson were appointed as a committee to draft a suitable resolution to be spread on minutes of the court.

Business Suspended

Every business house in Vernon will close its doors between the hours of 3 and 4 o'clock.

FIVE CONVICTIONS IN DISTRICT COURT

ALLEGED CHECK RAISER GETS
SUSPENDED SENTENCE; HUNG
JURY IN MELTON CASE

Five men were convicted last week in the district court. Two received sentences and three were sentenced to two years each in the penitentiary.

E. B. Gilmore received a three year suspended sentence after pleading guilty to raising a check. Herman Templeton was given a five years suspended sentence for theft of a bale of cotton.

C. E. Norman, Sidney Tucker white and Fred Steen, a negro were sentenced to two years each in prison for forgery. They will start serving their sentences at once.

The case of Luther Melton tried for blowing the North Worth and Denver office safe in January resulted in a hung jury.

H. C. Johnson and Guy Houghton, also held on the same charge, their cases were continued until next term of court. They were turned over to Oklahoma officials today to answer to charges of safe blowing at Grandfield, Okla.

Roy Scott who was acquitted of the charge of robbery of a freight car in Denver yards was rearrested on a warrant from Wichita county accusing him of theft of a saddle from a man at Electra.

The jury of the week was dismissed yesterday morning and civil cases without jury will continue until the end of the week, it is stated.

Attends Funeral

W. B. Roberts returned Sunday from Frederick where he attended the funeral of Mrs. Noble Cole who died there Saturday. Mrs. Roberts is a sister of Mr. Cole and has been at her bedside for the past week.

SECOND FAIRBANKS ENGINE EXPECTED

A 200 horsepower engine supplementing the 100 horsepower machine that arrived last week is expected to reach Vernon within the next few days, according to city officials. As soon as this engine arrives work will begin on the installation of the power plant machinery. An expert mechanic from the Fairbanks-Morse people of Dallas will supervise the installation of the equipment.

The engines and dynamo equipment which is being installed at the city's property at the water plant, will pump the city water and furnish the street lights. It is planned by the officials to extend their lighting service to all public buildings and also light streets that have not heretofore had lights, according to Mayor Mason. There has also been some talk of lighting the highway leading out of Vernon. It has also been rumored that the city will extend its service to private users, provided, it has sufficient power and equipment. This, however, has not been confirmed by the officials.

Stage Is Set For "Arrival of Kitty"

SCHOLASTIC CENSUS
TAKING IS TO BEGIN
IN CITY THURSDAY

Ward School Principals
To Canvass Homes—
Must Be Finished Dur-
ing March

How many children in Vernon between the ages of 7 and 17? This question will be answered during the month of March when the principals of the various ward schools will take the scholastic census, according to information given out by superintendent E. L. Dohoney. Beginning March 1, the school officials will canvass the city and call at the homes. The law fixes the dates for this work, according to Mr. Dohoney's statement.

It is expected that the census this year will far exceed that of any previous season. Over 1750 pupils are now enrolled in the city schools, according to the superintendent.

Mr. Dohoney's statement follows: "The state law fixes the time for taking the scholastic census throughout Texas—that time is from March 1 to April 1.

"This census in Vernon is in direct charge of the city superintendent. The principals of the ward schools will visit all homes beginning March 1 and enumerate the children between the ages of 7 and 17.

1765 Enrolled

"If a child is not now seven but will be on or before September 1, such child must be enumerated. Children who will be 18 on or before September 1 are not subject to enumeration. All children between the ages above specified must be enumerated.

"We now have enrolled 1765 children—this is about 350 more than were enumerated in March last year. This does not mean that we have that many more in scholastic age. We have the following enrolled who are not subject to enumeration: Children transferred from other districts; children under and over the scholastic age.

"In this connection it should be noted that the state law gives the privilege of the public schools to all children from 7 to 21 years of age. However, all transfers are required to transfer their state school money to the district to which they are transferred and such students are required to pay tuition for six months of the session.

"Children under school age are required to pay from date of entrance.

"It is very important that every child subject to enumeration should be counted in the scholastic census. The amount of state school funds apportioned to Vernon is based on its scholastic census, and we ask the co-operation of the patrons and citizens in taking the scholastic census. Let it be said when the first of April comes that every child of scholastic age in Vernon has been enumerated."

McCARTER ASSISTS CHAMBER ORGANIZATION AT HENRIETTA

E. L. McCarter district manager of the West Texas Chamber of Commerce attended a meeting of the Henrietta Chamber of Commerce, Friday night. Homer D. JUDGEMENT FOR \$2,200 IN COLE- MAN-DOVE CASE ASK RETRIAL

A judgement of \$2,200 was rendered in favor of the plaintiff last week in a civil suit in District court in which H. L. Coleman was plaintiff and J. O. Dove defendant. The suit, which was brought on the grounds of partnership accounting, grew out of contract work done on the Underwood Undertaking parlors and the Kincheloe building. The amount sued for was approximately \$4,000, being ten per cent of the alleged cost of the buildings. Mr. Coleman, through his attorney, has asked for a new trial.

Berry, Stokes & Killough represented Mr. Dove and Judge O. T. Warlick was counsel for the plaintiff.

Local Talent Will Enter-
tain—Tickets Selling
Fast—Home Science
Club Members Pleased

"How many Vernon people are familiar with that famous comedy known as "45 Minutes From Broadway?" Don't all speak at once!

Well then how many have seen "The Arrival of Kitty?"—That's what I thought. This is the way an enthusiastic Vernonite put a query to a party of friends yesterday. "Well you'll be reminded of "45 Minutes From Broadway" if you attend the home talent play at the Vernon Opera house Wednesday and Thursday evenings," he continued.

"The arrival of Kitty" a comedy of the first class, will be staged under the auspices of the Home Science club and theatre goers are anticipating a real treat tomorrow night and Thursday night at the Vernon Opera house. The play is being directed by Mrs. A. N. Vernon, a graduate of expression, and the cast is made up from the pick of local talent. The city has been pleased with notices of the affair and a page advertisement is carried in today's Record.

Tickets are selling rapidly and the whole town seems to be behind the movement. The Home Science club is one of the oldest federated clubs in this part of the state, it has been active in all measures looking to civic development of the city and is said to be first club to plant trees to Vernon which beauty of its streets. It fostered the purchasing of Allington park which has resulted in the possibility of developing one of the beauty spots of West Texas.

Proceeds to Park.

The proceeds derived from the play will be devoted to a fund that will be used for the purpose of erecting a concrete stage at Allington park, which will be built with a view to later adding an auditorium. Last year pageants were staged by the school children of the city and county. The stage equipment and seating facilities at the park proved wholly inadequate for the occasion of Community week last July. The cost of the proposed stage is estimated at \$700, and in event an auditorium is erected later, Vernon will have adequate facilities for public gatherings.

A playlet to be presented by the little folks will be staged first. The following is the cast:

Ding A Ling

Morgan Shyster an employment agent
Fred Vernon
Fritz Katzenboudle (who wants a job)
Kelly Parker
Rosa Van Nuel, a winemaker
Rosa V. Cole
George Bous (a bell boy) John Napier
Katinka Grauerholz from the old country
Anna Bailey
Gretchen Grauerholz (her sister)
Dorothy Moore
Reuben Cornstassel, a farmer.
John Myatt Napier
Mrs. Cornstassel, his wife
Josephine Flanken
Kitty Rivers, an actress
Alice Stokes
Evelyn Thorne, a vaudeville actress
Dorothy Rogers

Scene, an employment agency

"The Arrival of Kitty"
William Winkle Seth Ingram
Aunt Jane his sister Mrs. R. E. Townsend
Jane (this niece) Miss Vera Seales
Robbie Baxter Robert Lutz
Benjamin Moore Frank Findley
Ting (a bell boy) Willis Smith
Sam, a colored porter Robert Hall
Kitty, an actress
Miss Charlie Mae Northcraft
Suzette, a maid Miss Ruth Batchelor

Nine people comprise the cast of the clever "farce comedy" which has as its setting a summer resort in the Catskill mountains.

FORMER VERNON PASTOR WILL BE IN FREDERICK MARCH 15

The Record is in receipt of a letter from Rev. Ben M. Edwards, former pastor of the Central Christian church of this city stating that he will conduct a revival in Frederick, Okla., beginning about March 15.

Rev. Edwards is wide and favorably known in this section and his pastorate at the local church was a marked success. After leaving Vernon he entered the evangelistic field.

LIONS TO ADVOCATE GOOD ROADS PLAN

WILL MEET WITH COUNTY JUDGE AND COMMISSIONERS NEXT FRIDAY

"Good Roads And Better Roads" is a slogan adopted by the Lions club at their regular luncheon held at the sun parlor in the Bailey hotel last Friday. The club is considering a good roads program and have extended an invitation to county judge E. L. McHugh and the four commissioners to meet with that body on its regular luncheon day next Friday. It is expected that the club will place a plan before the officials at this meeting.

The plan of the Lions has not been made public, pending its conference with the judge and commissioners. It is stated.

Judge E. W. Napier of Wichita Falls who was introduced as a guest of the club made a short and interesting talk. Judge Napier exchanged benches with district judge James V. Leek of this district.

Miss Hazel Vaughn of the Vernon high school pleased members and guests of the club by singing a negro melody. Depending on an encore Miss Vaughn offered tickets for sale at the S. M. U. choral club entertainment staged at the high school auditorium Friday night. A large sale of tickets was made.

Mrs. J. E. Collins Mrs. A. N. Vernon and Mrs. A. S. Ross appeared before the club in behalf of the home talent play, "The Arrival of Kitty" which will be presented tomorrow night at the Vernon opera house. The club purchased 57 tickets. Some time ago the Lions club decided to raise funds to build an auditorium at Allington park, over \$700 was pledged for this enterprise, if it is sold. Their plans however, have been held up on account of other matters. It is said.

The club requested the club women to have the architects include in their plans for the concrete stage the club proposes to build, plans and specifications for an auditorium around the stage.

MISS C. NEWTON DIED YESTERDAY

LIBRARIAN'S AUNT PASSES AWAY FOLLOWING LINGERING ILLNESS

Miss Cornelia Newton 81, died at her home in the west part of Vernon yesterday morning at 10:30, after a lingering illness of several weeks. She has been seriously ill for the past week and the end was not unexpected.

Miss Newton was born near Eldorado, Arkansas in 1841, and is one of a family of thirteen children. She made her home with her brother and these two were the only survivors of that family of children. DECLARES SWEET CLOVER IS SUITED TO NORTHWEST TEXAS

"Sweet clover is the only legume that can be generally grown in northwest Texas," according to M. B. Oates, agricultural agent of the Fort Worth & Denver and Wichita Valley railroads. "Alfalfa does well in a few localities, but has not proven successful over a large area. Sweet clover has proven successful and for this reason its growth is being promoted."

"Sweet clover is primarily a pasture crop," Mr. Oates explained. "Much evidence has been found, but there is not enough evidence on sweet clover as a hay crop to recommend it generally for this purpose."

Sweet clover does best when sown in January and February, on well settled land. March seedings are not so good. Seeding should be finished immediately. The only justifiable excuse for waiting until after February is waiting for late plowed land to settle well. A loose open seed bed will not do. It is better to sow on unprepared land than on freshly broken land. If last year's cultivated land is sandy or loamy, it will make a splendid seed bed without breaking. If land is tight a shallow disking will form a good seed bed. Sow, then cover lightly."

The Odell Road

In the northwest corner of Wilbarger county there is a thriving community and awake town named Odell. The town is surrounded by many acres of rich, fertile and very productive cotton land. More than 4,000 bales of cotton were ginned there this season. In so far as food outlets to the rest of the world is concerned, this little community has heretofore been hampered in on the north by the treacherous quick sands of Red river and sand beds on the east. This condition has always made it inconvenient and difficult for its citizens to leave and return.

Recently a bridge has been erected over the Red river which removes to some extent the barriers which have heretofore handicapped this community. Immediately following the construction of this bridge Jackson county Oklahoma built a first class road from Altus to the bridge, thus extending a hearty invitation to the citizens of that community to visit with the Oklahoma towns people and rural dwellers.

But about a good road to Vernon? Now, since there is an outlet to the north for travelers why wouldn't it be a good constructive measure to improve the condition of the road leading from Vernon to Odell and the bridge? It is said that many people are now attempting to travel from Altus, Oklahoma to Wichita Falls and other southern points over this bridge. When the Wichita Irrigation project is completed, it is but reasonable to assume that this travel will be greatly augmented by tourists. Vernon and Wilbarger county will profit alike as a result of a good road to Odell and the Red river bridge and besides

there are many other good reasons why this road should be built, business reasons for both Odell and Vernon.

FOSTER'S WEATHER BULLETIN

Washington, March 2nd, 1923.—The severe storms are very important, they bring the moisture, the temperature extremes and give the signals for the change of evaporation every five or six months; therefore I am hoping to soon more definitely give the place they will strike; I do closely give their dates. Frequent warnings were given that bad storms and bad weather were expected during first half of February and would benefit winter grain. The March storms will not be so radical as were those of February, but, as we are promised three weeks of bad weather, with the central dates near Mar. 5, 20 and 25, they threaten to give us little good weather. Really those bad storms are needed to revive the grain between Meridian 90 and Rockies' Crest heretofore damaged by a moisture shortage. March has a bad reputation on account of its bad weather, caused, principally because of its being an equinoctial month. But the equinoctial storms occur at any time between Mar. 4 and Apr. 1. The equinoxes do not cause severe storms, they only bring more favorable conditions for bad weather; even the Congress has been whipped out by the March equinoctial and will, therefore, probably change Inauguration Day. Local forecasts follow:

Section 1: North of 47, between 90 and Rockies' Crest lowest temperature March 4 and 12, highest 8 and 18; average about normal; severe storms near 8; normal moisture.

Sec. 2: North of 47, east of 90; lowest temperatures March 6 and 14, highest 10 and 20; average normal; normal moisture; severe storms near 10.

Sec. 3: Between 39 and 47 and between 90 and Rockies' Crest; lowest temperatures March 5 and 9, highest 7 and 11; average warmer than usual.

Sec. 4: East of 90, between latitude 39 and 47; lowest temperature March 4 and 12, highest 8 and 16; average above normal; severe storms near 9.

Sec. 5: South of 39, between 90 and Rockies' Crest; highest temperatures March 4 and 13, lowest 5 and 17; average near normal; severe storms 8; normal moisture.

Sec. 6: South of 39, east of 90; highest temperatures Mar. 6 and 15, lowest 4 and 11; average colder than usual; normal moisture; severe storms 10.

Sec. 7: North of 43 1/2, west of Rockies' Crest highest temperature March 4 and 13, lowest 9 and 17; average near normal; severe storms and most.

Sec. 8: South of 43 1/2 to Mexican line, west of Rockies' Crest; highest temperatures near March 5 and 15, lowest 10 and 19; average near normal; severe storms and most moisture near 8.

My readers are requested not to address me at any newspaper office but at 1625 1-2 North Capitol, Washington D.C. Corn crops of South America have been seriously damaged by a rain shortage. Another war in Europe would put cotton markets down and grain up. Don't give any attention to the big reductions in the grain market; they are caused by speculators. Supply and demand govern the annual average markets of grain and cotton the grain market year runs from August to August and the cotton market year begins a little later. When farmers want to sell grain or cotton they should use the Farmer's Hedge.

CANADA TO HANG TWO WOMEN FOR MURDER.

Mrs. Irene M. Christiansen Mrs. Florence Lassandra

Two Canadian women were hanged soon for the murder. The first to mount the gallows was Mrs. Florence Lassandra who was to die in Alberta on February 21 for complicity in the murder of a peace officer. Mrs. Irene May Christiansen, of Dapp, Alberta, is under sentence to die on April 4 for the murder, last September, of her husband.

Some sections of North America will fail this year on their crop. Nearly all storms of this continent originate on the Pacific slope, north of Mexico. Of the 107 recorded for March, 75 originated near the State of Washington, eastward, by way of St. Louis, onto the Atlantic by way of Newfoundland.

WHITE CITY

By special correspondence.

Mrs. C. F. Brinkley of Vernon came out Monday to be with her daughter Mrs. H. E. Box, who is ill with the flu. Mrs. Box is some better.

Rev. and Mrs. W. W. Adams and son C. L. were called to the bedside of their daughter and sister, Mrs. O. D. Stove, near Odell, who was very sick with flu. Mrs. Adams remained with her several days.

J. B. Little son of C. C. White has been sick for several days but has improved.

Chas. Hobson and daughter, Opal, and Mrs. Hise of Rayland visited Robt. Hobson Sunday afternoon.

Rev. Owen and family of Hault Hill were dinner guests of Mr. and Mrs. R. G. Hobson Sunday.

Jim Conger has been sick with the flu for two weeks but has about recovered.

Mrs. W. M. Owens of Memphis came Thursday to visit her sister, Mrs. Perry White. She returned home Sunday.

Rev. Owens preached at the church last Sunday morning at 11 o'clock. We

are certainly glad to have him with us and he will be here at the same hour next third Sunday.

At 2:30 last Sunday singing began. There was a good crowd with visitors from several communities. Singing was good.

Little Erie Nell Adams is seriously sick and has been for two weeks.

A good crowd enjoyed singing at S. E. Floyd's Sunday night.

Miss Alice Starr has been in Vernon for some time where she was taking medical treatment. She has come back home now, but is still under care of the doctor.

Rev. W. W. Adams attended church at Hinds Sunday morning.

Ivan Richardson has the flu.

Mrs. Lee Coffey is sick with the flu.

W. H. and J. W. Armstrong and families of Medicine Mounds visited Mr. and Mrs. W. A. Mayfield. The former is Mrs. Mayfield's father and the latter her brother.

1129 at Sunday School

The total attendance at the five Sunday schools last Sunday was 1129, according to Rev. Lewis P. Kopp, secretary of the Pastors association. The First Baptist heads the list with 358. The following list gives the attendance in detail.

Baptist	358

MARKET OPENS

The formal opening of the White House market which recently moved into the building formerly occupied by the Herring-Showers Hardware Co., was held last Saturday and attended by over 1800 people, according to J. R. Huie, manager of the new enterprise.

Mr. Huie has recently moved to Vernon from Odell.

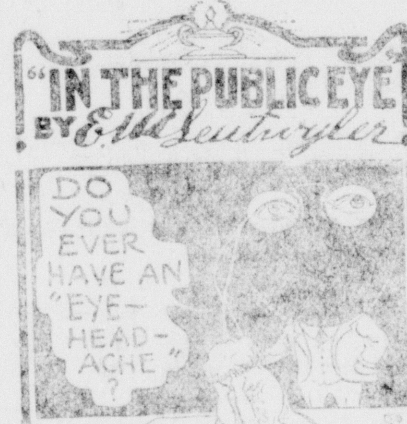

Various manufacturers of grocery articles supplemented the occasion with a feast at which coffee, fruits, cakes and pickles were served free.

"Friends of Miss Ramal Butler will be glad to know that she is not ill and has not been ill as has been reported. A message from the college of Industrial Arts has been received in the city which reads 'Ramal is not ill, and is attending classes as usual, signed, E. G. Deffley, Dean of Women'."

'SEED-OL-O-GY'

To the unthinking man "plantin' seed" is just "plantin' seed"—that's all.

But to the man who keeps posted, the selection of planting seed is just about as important a thing as the planting itself.

It has been thoroughly proven that it is a matter of dollars and cents and the man who will stop just a minute and think will readily see why.

Good, well-bred seed may be had. They take no more room than inferior seed; no more time to cultivate, and the returns in cash and satisfaction will justify any man's time and pains.

We have no seed to sell, but we can help you get them if you want them. Want us to?

UNIVERSITY GIRLS PLEASE AUDIENCE

S. M. U. CHORAL CLUB MAKE BIG HIT IN MUSICAL CONCERT FRIDAY NIGHT

Thirty-three girls, with Harold Hart Todd, director and Stuart M. Meadows, business manager, comprising the choral club of the Southwestern Methodist University, rendered an excellent program at the High school Friday evening before an audience that comfortably filled the auditorium. The audience was unusually responsive and displayed a high appreciation of the musicians' work. It was one of the best concerts ever staged in Vernon. The affair was held under the auspices of the senior class of the local high school.

The affair in every particular, displayed the university type. The zest and life which is usually prevalent among university girls reflected itself in every member of the concert. All of the chorists scored a big hit with the audience and the comedy was unusually good. The violin solos were of a class rarely heard at a university exhibition.

MISS PIERCE STARS

Miss Catherine Pierce of Vernon, daughter of T. L. Pierce, was heartily cheered by the audience. She responded to two encores, the first being, "Pop Goes the Weasel." So enthusiastic was the audience that she was obliged to return the second encore. This time she played "Minuet in G." Miss Pierce is recognized as a violin artist of wonderful ability.

Miss Louise Kramer of Dallas pleased the audience with a violin solo that displayed the artistic qualities of a real master of the bow. Her work was heartily cheered.

One of the attractions which featured the concert was a comedy furnished by a lively one act skit: "How a Woman Keeps a Secret," during which an attractive debutante disclosed her matrimonial intentions at an afternoon tea. Constance Langkewitz, Helen Symott, Ruth Fouts and Madeline Abraham very cleverly handled the leading roles in this interesting act.

Another comedy feature was a "Scarecrow dance" by two unidentified but very clever performers.

Marjorie Daniels and Stewart M. Meadows, business manager of the club appeared in their "Oh No John" number. This was a love affair and was handled like a seasoned stage couple.

Total receipts were approximately \$200, expenses \$11. Net receipts to the senior high school class \$187.25.

WHITE CITY PLAY AT TOLBERT

The students of the White City school will present the play "Strife" at Tolbert Friday night at the school auditorium. This play was given at Odell last Friday night and scored a big hit with the audience. The plot is a comprehensive and interesting plan and was presented by an exceptionally good cast, it was stated.

League Attend Church Lecture

Members of the Waltham League of St. Pauls Lutheran church went to Wichita Falls Sunday to attend a lecture by Rev. E. Brandt, vice president of the synod of missions. He spoke interestingly of the missions in China, India and Japan. Reinhold Hingst of Vernon is in St. Louis now studying mission and expects to visit the foreign fields from this synod.

The following attended the lecture: Rev. and Mrs. J. A. Burnbaum, Mr. and Mrs. Ed Krebs, Misses Esther and Ruth Teinert, Louise Grieschel, Christa Hingst, Gertrude, Gussie and Frieda Hingst, Alma Hempel, Louise Lowke, Nora Karcher, Esther Nimsch and Meibers, Hugo Gellhausen, Paul Lowke, Arthur and Werner Hingst, Karl Schur, Herbert Neese, Ed Kunkel and Walter Tienert.

J. J. LARIMORE IS BURIED YESTERDAY

FATHER OF W. A. LARIMORE DIED IN VERNON LAST SUN- DAY NIGHT

J. J. Larimore 84, died at the home of his son W. A. Larimore Sunday night after illness of several months.

Mr. Larimore suffered a stroke of paralysis in the early fall and never recovered from this attack. Deceased was born in Arkansas, but 53 years of his life had been spent in Texas. Since the death of his wife some years ago Mr. Larimore has made his home with his only surviving child, and for the past ten years they have resided in Vernon.

Funeral services were held at the Church of Christ yesterday afternoon at 3 o'clock and were conducted by Elder Thomas E. Millholland, pastor. Mr. Larimore was a devoted member of this church. The pall bearers were: J. A. Puckett, J. W. Clark, Reed Smith, Lon Byars, Frank Wright, K. G. McDonald. Interment took place in East View cemetery.

ODELL WOMAN'S BOND SET AT \$750 BY U. S. COMMISSIONERS

United States Commissioner J. A. Lantz set the bond of Miss Nancy Crownover of Odell at \$750. Monday afternoon at a hearing in Wichita Falls. Miss Crownover was arrested by U. S. Marshal John Saye assisted by R. J. Bailey, deputy sheriff, of this county at her home near Odell Thursday afternoon and was taken at once to Wichita Falls. She is charged with complaint of having used the U. S. mails to defraud. It is stated she secured various sums from men over the country for traveling expenses after she had become engaged to them through correspondence. The complaint was filed after an investigation conducted by government post office inspectors.

Store In Vernon Soon

Mrs. Jack Ladd, formerly of Electra will open a new millinery shop at the old Imperial News Stand room in the Herring National Bank building about March 10. Mrs. Ladd is a milliner of long experience and specializes in trimming. She will feature Lady Frances hats.

The exact opening date has not been announced.

League Council Held Last Night

The first council of the Epworth league was held last night at the Methodist church and plans were discussed by the council for the coming year. A business session has been called for next Friday night in order that the members of the League may pass on them.

Sunday night the delegates who attended the conference at Quanah, on Friday and Saturday gave interesting reports of the two days session. Next Sunday evening the Tolbert League will give the program at the regular hour at the Methodist church here. Members are requested to attend the business session Friday night and also the meeting Sunday night.

IT IS MOST IMPORTANT

that you change the oil in your crank case often and that you use the best grade of oil—that is, if you want your car to last long and give you good service. It is better to pay out money for oil than it is to have to buy new bearings and undergo the expense of extreme repairs and overhauling.
